Answer: KMSBB

Question: How much are they?

Answer: \$25 for hooded, \$19 for crew, and \$13 for t-shirt.

Question: Will the printing cost extra?

Answer: No. We have tried to make the sweatshirts as affordable as possible, but  
Have charged \$5 over cost to ensure the full cost is ordered if we are  
Unable to fill an order large enough for the reduced price. If the large order  
Is filled, the boosters will make \$5.00 off each.

No Old Business

New Business:

Question: Will there be a raffle quilt?

Answer: Unsure. Do have the opportunity to raffle off glass artwork.

Question: How much did the quilt raffle earn last year?

Answer: Not much.

Question: What can we do to maximize the cost of an expensive item? The glass

Art is worth \$2500- Should we look into ebay or other auction site?

Boys and Girls Club Advisory Board have an item of similar value and will not

Auction locally.

Garage Sale? Pee Wee football threw together a garage sale last year that made \$800 profit.

Quilt- Carrie Trussel's aunt is willing to create one with her girls and Lisa's grandmother is also willing to make a quilt.

Last year's preparations for the international trip took away resources for advertising the quilt so it did not do as well as the year before.

Question: Could we advertise in local newspaper?

Answer: Carrie will put on craigslist.

It is possible quilt scraps will be given away to reduce quilt cost. In the past, the quilt was displayed . Last year it was not, nor was it even photographed. It was also similar in design to the one made the year before.

Need more people to step up and help. More people helping=more things done.

Question: What will be the garage sale storage for donations?

Answer: Peewee football set up tents and used volunteer garages.

Announcements:

Port of Kingston Holiday Fest Dec. 11<sup>th</sup>

8<sup>th</sup> graders and select 7<sup>th</sup> graders were going to perform, but Mr. Haag can not attend- uncertain if it will still happen.

Holiday Concert Dec. 13<sup>th</sup>

Report time 6:50, concert at 7:15

Change will be going out in email.

Last concert had students show up not properly attired- if you

Need a uniform, let Carrie know and leave enough time to

Change! Ran out of socks, belts, and tie- always accepting

Donations!

Question: My older daughter had her concerts in the NK auditorium. Could we

As well?

Answer: That might change the fee we are charged for the event, and the auditorium is too small. The brand new KHS auditorium is too small as well.

Mr. Haag's Report:

Many people have questioned why school was not closed earlier when we had our snow days. The answer is that the storm was expected to hit Portland and we were forecast to only have minor snow fall. All secondary students arrived home on time, while the elementary was late.

The concert time has been changed due too many people desiring to attend and creating a crowd beyond fire code. Therefore, the band will play later to allow the choir to perform and leave to create safer numbers.

8<sup>th</sup> Graders in Jazz Band will be competing at the Viking Jazz Fest on Feb. 4<sup>th</sup>. The KMSBB have agreed to pay for the entrance fee.

Solo competitions against other schools in Feb.- normally would give out forms before Christmas break.

Will give out extra credit for students who wish to perform at the Kingston Christmas at the Port.

7<sup>th</sup> grade stage band started today. Doors open at 6:55, and band starts at 7:00. This class leads into the 8<sup>th</sup> grade Jazz band.

Marching music will be passed out next week. Students should bring a bag lunch on the day the music is passed out so they may go to the band room during lunch. They will have 2 weeks to practice over Christmas break. They can work on choreography during lunch. They will be evaluated on their current level and their ability to get to where they will need to be.

25 6<sup>th</sup> graders will make the marching band squad. They will need to look good. Selection will be made the first part of Feb. after the Viking Jazz fest.

Thursday Dec. 16<sup>th</sup> will be yearbook photos, in the bandroom. Students should wear their red shirt uniform If they have it. 6<sup>th</sup> graders will have a shirt loaned to them for the picture.

Students then demo the marching choreography- Gumm, Trussel, Trussel, and Gowenlock.

Mr. Haag's facebook page has a link to the Victoria trip performance.

Motion to adjourn- Jenn Miller motions, Clara Sheridan seconds.

7:58 adjournment.
