

Kingston Middle School Band Boosters Fundraiser

KLEAN KANTEEN WATER BOTTLES

FEATURES:

- High quality, food-grade stainless steel
- Toxin-free and non-leaching
- Durable, lightweight, reusable & 100% recyclable
- Dishwasher safe
- Strong yet lightweight stainless steel
- Leading brand in the industry
- Slim design fits most cup/bottle holders
- No inner lining, clean tasting
- Wide mouth fits ice cubes

In an effort to go green and provide a healthy fund raising alternative for students and parents, **Kingston Middle School Band Boosters** would like to offer you an opportunity to purchase high quality stainless steel reusable water bottles. Klean Kanteen water bottles have been chosen by us because they offer an environmentally friendly and safe alternative to disposable plastics and reduce the everyday waste created through disposable drink containers. Klean Kanteen water bottles are BPA, Phthalate and Lead Free and made of high quality durable 18/8 gauge stainless steel meant to last through years of use.

Product samples can be viewed at Kingston Middle School during the 2 week fundraising period. Completed order forms are due back on Friday, January 30th.
